Sub: Utilization of 25,000 MT godown constructed under PEG at Sarbhog/Barpeta.

Sir,

In reference to Regional Office, Assam letters no. Engg/R.O-Assam/PEG-2013/Pat- V dated 08.05.2019 on the subject cited above, it is to inform that the matter has been examined and it is observed that the request of GM, Assam for CSA verification is relevant only in case the godown is to be taken on **guarantee basis**. The godown cannot be considered for Guarantee till the discrepancy of 'White-wash' is removed by the Investor. However, the godown can be utilised on AUB which is within the ambit of GM(region), subject to the storage-worthiness, and urgency/requirement to be assessed and to be decided by the concerned GM(R.).

Accordingly, it is requested to complete the laid down procedural formalities before utilising the godown on AUB and to take up with the Investor to complete the pending works as soon as possible so as to take further course of action through SLC/HLC for taking-over the godown on guarantee as per MTF/practice in vogue.

This is for kind information and further necessary action please.

Yours faithfully
