Sub: Hiring of godowns with WBM road – reg.

Ref: MPWLC letter No. MPWLC/Constn/2012/112 dated 20.11.2012.

Sir,

Please refer to your office letter dated 20.11.2012 forwarding the request of private entrepreneurs who are constructing godowns under PEG Scheme, to take over the godowns with WBM road, as it is not technically advisable to go for tar road on newly constructed WBM road.

In this regard, it is advised to take over the godowns with WBM road after taking an undertaking from the godown owners for laying of Black Topping (B.T.) on WBM road after one rainy season or within one year. A penalty clause may be included in the undertaking document, in case BT is not done in specified time period, a penalty could be imposed.

Yours faithfully,

  
Dy. Gen. Manager (Stg.I)
